TRUST IN AN AI WORLD: BUILDING SAFER DIGITAL COMMUNITIES

PUBLIC INTEREST REGISTRY

We are the nonprofit home of the .ORG Community. We provide safe and trusted online identities for the millions of changemakers who are making a difference in their communities by helping others, solving problems, and building movements for good.

As a champion for privacy and security, we also foster collaboration among the Internet community to promote and protect a free and open Internet that serves the public interest.

Megan Waters
Director of Community Engagement

CO-FOUNDER AND CEO
STRATOVATION PARTNERS

STRATEGY AND INNOVATION CONSULTANCY WORKING WITH MISSION-DRIVEN ORGANIZATIONS TO NAVIGATE CHANGE AND PREPARE FOR THE FUTURE.

BENJAMIN CHILDERS

A community-driven initiative bringing together nonprofit leaders, technologists, and others to have candid conversations about the opportunities, challenges, and implications of AI.
