

A Tour of the Microsoft Power Platform

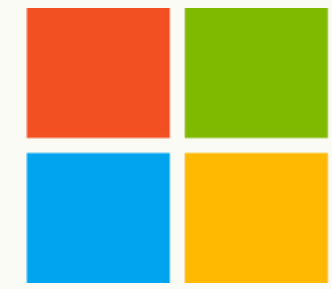

Joel Hogan

Programmes Manager, Charity Digital

Agenda:

- Power Platform nonprofit offers and implementation
- The 'other' members of the Power Platform Family
- Q&A

Microsoft

Power Apps

Delivering Services

Low-code development

“Using low-code development allows us to rapidly create, iterate, and deploy solutions with greater impact”

*- Patrick Hale, Executive Vice President
VITAS*

Data collection and reporting

Charitable Offer

- Power Apps per app plan (1 app or website)
- Power Apps per app plan (1 app or website) 10 seat donation
- Power Apps Premium

**Power
Automate**

Using Expertise more effectively.

“We’re leaning into Microsoft Power Automate to streamline processes and help engineers focus on higher-value work. Now we get more value from our team, and they derive more value from their work. It’s a win-win.”

*- Joseph Springer, Senior Director of Technology -
QuoteWizard*
